## **PwC Azerbaijan is at the Global HR Summit in Baku**

PwC Azerbaijan has partnered with the Global HR Summit organized by Azerbaijan HR Institute on 20 April 2023 in Baku. Movlan Pashayev, the Country Managing Partner of PwC Azerbaijan, was on a panel "CEOs' Perspective on Strategic HR".

Movlan spoke about PwC's HR Strategy, the importance of diversity & inclusion, and personal reflections of his involvement in people matters.

"Our people are at the center of everything we do and we want to ensure everyone is able to reach their full potential. Providing an environment where everyone feels they belong is essential to ensuring everyone is productive, motivated and engaged."- said Movlan.

At PwC we work with clients to review, align and develop HR functional strategies that realize the needs and intent of an organization's strategic business and people objectives. This sets the change agenda for the HR function of the future and works in alignment with the broader people strategy.
