NOW THEREFORE, the parties, in consideration of the foregoing and the mutual agreements contained herein (the receipt and sufficiency of which are hereby acknowledged), agree as follows:

1. **Borrowers:** ACCEL Holdings and ACCEL Energy, together the "**Borrowers**" and each a "**Borrower**", acting jointly and severally.
2. **Guarantors:** ACCEL Holdings (other than with respect to its own obligations), ACCEL Energy (other than with respect to its own obligations), the ACCEL Parent, AESC, ACRL, and all direct and indirect subsidiaries of the Borrowers (other than ACCEL Energy and AESC) after the date hereof (collectively, the "**Guarantors**" and each a "**Guarantor**", together with the Borrowers, collectively referred to herein as the "**Credit Parties**" and, individually, a "**Credit Party**").
3. **DIP Lenders** [●], [●] and [●][*NTD: DIP Lenders to be identified, but all to be TEC affiliates and/or managed funds*] (together with any other entity party hereto from time to time as a lender as successor or assignee thereof, collectively, the "**DIP Lenders**", and each, individually, a "**DIP Lender**").

The obligations of the DIP Lenders shall be several (and not joint and several). No DIP Lender shall be responsible for the obligations of any other DIP Lender under this DIP Financing Term Sheet, and the failure by any DIP Lender to perform its obligations under this DIP Financing Term Sheet shall not affect the obligations of any other DIP Lender hereunder.
4. **DIP Agent:** Third Eye Capital Corporation, as administrative agent and as collateral agent (in such capacity, the "**DIP Agent**").

5. **Defined Terms** Capitalized terms used in this DIP Financing Term Sheet and not defined herein have the meanings given thereto in Schedule "A". Unless otherwise noted herein, all references herein to "dollars" or to "\$" means Canadian dollars.
6. **Purpose:** To provide for the short-term liquidity needs of the Borrowers pursuant to the Cash Flow Budget and in accordance with the Charging Order and the Initial Order while the Borrowers are under Court protection pursuant to the NOI Proceedings and the CCAA Proceedings.
7. **DIP Facility and Maximum Amount:** A super priority (debtor-in-possession), interim, revolving credit facility (the "**DIP Facility**") up to a maximum principal amount of \$30,000,000 (as such amount may be reduced from time to time pursuant to Section 16 hereof, the "**Maximum Amount**"), subject to the terms and conditions contained herein.
8. **Interest Rate and Default Interest:** Advances under the DIP Facility ("**DIP Advances**" and each a "**DIP Advance**") shall bear interest at a rate equal to 12% per annum. Interest shall accrue daily on the aggregate outstanding principal of the DIP Facility and shall be calculated and payable in cash in arrears on the first Business Day of each month.
- All interest and fees will be calculated on the basis of a 365 day year and actual days lapsed, up to (but excluding) the date of actual payment from the funding date or the due date, as applicable; provided that whenever a rate of interest or fee hereunder is calculated on the basis of a year (the "**deemed year**") that contains fewer days than the actual number of days in the calendar year of calculation, such rate of interest or fee rate shall be expressed as a yearly rate by multiplying such rate of interest or fee by the actual number of days in the calendar year of calculation and dividing it by the number of days in the deemed year. The principle of deemed reinvestment of interest does not apply to any interest calculation in any DIP Financing Credit Documentation, and the rates of interest stipulated any DIP Financing Credit Documentation are intended to be nominal rates and not effective rates or yields.
- Any amounts which are not paid when due and payable by any Borrower hereunder or in respect of any other DIP Financing Credit Documentation shall accrue interest (after as well as before maturity and judgment) on a daily basis up to and including the date of actual payment from the due date, at a rate equal to [16]% per annum, payable on demand by the DIP Agent.
9. **Fees:** A closing fee (together with any extension fee paid further to the terms of Section 14, the "**Fees**") in the amount of \$600,000 is to be paid by the Borrowers to the DIP Agent for the rateable benefit of the DIP Lenders as follows: (i) \$200,000 earned and payable on the date that the initial DIP Advance is made, (ii) if the DIP Facility has not otherwise been refinanced or repaid in full at such time, \$200,000 earned and payable on the date that is 30 days from the date of this DIP Financing Term Sheet and (iii) if the DIP Facility has not otherwise

been refinanced or repaid in full at such time, \$200,000 earned and payable on the date that is 60 days from the date of this DIP Financing Term Sheet.

11. **Availability Under DIP Facility:** For a DIP Advance, the applicable Borrower shall deliver a written request for such DIP Advance (a "**DIP Advance Request**") to the DIP Lenders, and the DIP Lenders shall, within three (3) Business Days of receipt thereof, advise the Borrowers of the satisfaction or non-satisfaction of the Funding Conditions, as determined by the DIP Agent (on behalf of the DIP Lenders) in its sole discretion. Each DIP Advance shall be made by the DIP Lenders to the applicable Borrower within one (1) Business Day of notifying the applicable Borrower of the satisfaction of the Funding Conditions.

 - (b) The Court shall have issued an order (the "**Charging Order**") (either in the NOI Proceedings, or as part of the Initial Order in the CCAA Proceedings) in a form satisfactory to the DIP Agent (on behalf of the DIP Lenders), in its absolute discretion, approving this DIP Financing Term Sheet and the DIP Facility and granting the DIP Lenders a superpriority charge (the "**DIP**

Lenders' Charge") in favour of the DIP Agent for the benefit of itself and the DIP Lenders (collectively, the "**DIP Secured Parties**") on the Collateral of the Borrowers, securing all obligations, covenants and liabilities owing by the Borrowers and the other Credit Parties to the DIP Secured Parties hereunder or under any other related agreement, including, without limitation, all principal, interest, Fees, indemnities and the DIP Financing Fees and Expenses (collectively, the "**DIP Financing Obligations**"); the Charging Order shall provide that the DIP Lenders' Charge shall have priority over all Liens, except for the Permitted Priority Liens; and the Charging Order shall not have been stayed, vacated or otherwise caused to be ineffective or amended, restated or modified in a way that adversely impacts the rights and interests of the DIP Lenders in a material manner, without the consent of the DIP Agent (on behalf of the DIP Lenders);

- (c) The DIP Agent (on behalf of the DIP Lenders) (or its counsel) shall be satisfied that (i) the entering into of this DIP Financing Term Sheet and the other DIP Financing Credit Documentation, the granting of the DIP Lenders' Charge and the consummation of the transactions contemplated hereby has been approved by the Borrowers and the other Credit Parties and (ii) service has been effected on a list of parties acceptable to the DIP Agent (on behalf of the DIP Lenders);

- (g) There shall be no material damage or destruction to any of the Collateral, nor any material depreciation in the value thereof and the Credit Parties' operations shall comply, in all material respects, with all applicable health and safety, environmental, labour and other applicable laws and regulations;
- (h) All expenses (including all legal fees and expenses) of the DIP Secured Parties incurred in connection with the DIP Facility

- (a) This DIP Financing Term Sheet shall have become effective and all conditions precedent set out in Section 12 shall have been fulfilled;

- (c) The DIP Agent (on behalf of the DIP Lenders) shall be satisfied that each Borrower and each other Credit Party have complied with and are continuing to comply in all material respects with all applicable laws, regulations and policies in relation to its business other than (i) as may be permitted under the court orders made in the NOI Proceedings or the CCAA Proceedings applicable to the Borrowers (collectively, the "**Restructuring Court Orders**" and each a "**Restructuring Court Order**") or (ii) as to which any enforcement in respect of noncompliance is stayed by a Restructuring Court Order, provided the issuance of such Restructuring Court Order (in each case) does not result in the occurrence of an Event of Default;
- (d) The requested DIP Advance shall not, if advanced to either Borrower, cause the aggregate amount of all outstanding DIP Advances to exceed the Maximum Amount or be greater than

the total DIP Advances projected to be required in the Cash Flow Budget, unless otherwise specifically approved by the DIP Agent (acting on behalf of the DIP Lenders);

- (e) All DIP Financing Fees and Expenses shall have been paid, or will be paid from the proceeds of the requested DIP Advance, as applicable, within such period of time as is acceptable to the DIP Agent (on behalf of the DIP Lenders) in its absolute discretion;

- (k) The Charging Order and (for DIP Advances made after the commencement of the CCAA Proceedings) the Initial Order shall be in full force and effect and shall not have been reversed, modified, amended or stayed in a manner adverse to the interests of the DIP Lender.

14. **Repayment:**

The DIP Facility shall be repayable in full (including all accrued and unpaid interest thereon and all fees, costs and any other amounts due and payable in connection therewith) on the earlier of: (i) the occurrence of any Event of Default hereunder which is continuing and has not been cured; (ii) the implementation of a plan of compromise or arrangement within the CCAA Proceedings (a "**Plan**") which has been approved by the requisite majorities of the Borrowers' creditors and by order entered by the Court; (iii) conversion of the CCAA Proceedings

into a proceeding under the *Bankruptcy and Insolvency Act* (Canada); (iv) the sale of all or substantially all of the Collateral; and (v) February [●], 2020 [NTD: *To be 90 days after the date of this DIP Financing Term Sheet*] (the earliest of such dates being the "**Maturity Date**"). The Maturity Date may be extended for a 30 day period at the request of the Borrowers and with the prior written consent of the DIP Agent (on behalf of itself and the DIP Lenders) and on such terms and conditions as the DIP Agent (on behalf of itself and the DIP Lenders) may require, including, without limitation, the obligation of the Borrowers to pay the DIP Agent, for the rateable benefit of the DIP Lenders, an extension fee equal to \$200,000.

Subject to the terms above with respect to extensions of the Maturity Date, the Commitment shall expire on the Maturity Date and all amounts outstanding under the DIP Facility shall be repaid in full no later than the Maturity Date, without the DIP Lenders being required to make demand upon the Borrowers or to give notice that the DIP Facility has expired and the obligations are due and payable. The order of the Court sanctioning any Plan shall not discharge or otherwise affect in any way any of the obligations of the Borrowers to the DIP Agent and the DIP Lenders under the DIP Facility, other than after the permanent and indefeasible payment in cash to the DIP Agent and the DIP Lenders of all obligations under the DIP Facility on or before the date the Plan is implemented.

15. **Prepayment:**

Upon 5 days prior written notice to the DIP Agent, the Borrowers may prepay any amounts outstanding under the DIP Facility at any time prior to the Maturity Date, without any prepayment fee or penalty. In no event shall the DIP Lenders be obligated to accept any amount that would be contrary to any applicable law respecting interest to be charged. If the minimum interest is determined to be in excess of the maximum amount permitted by applicable law, then the minimum interest shall be reduced to the maximum amount that would be permitted by applicable law.

The Borrowers may borrow, repay and re-borrow DIP Advances, subject to the terms and conditions herein. Any amount repaid or prepaid under the DIP Facility (including those repaid in accordance with Section 16) shall be applied against amounts outstanding hereunder and in connection herewith by the DIP Agent in its sole and absolute discretion.

16. **Mandatory Repayments:**

Unless otherwise consented to in writing by the DIP Agent (on behalf of the DIP Lenders), DIP Advances to the Borrowers shall be forthwith repaid and the Maximum Amount shall be permanently reduced: (i) upon a sale, transfer, lease or other disposition of any of the Collateral out of the ordinary course of business, in an amount equal to the net cash proceeds of such sale (for greater certainty, net of reasonable costs and closing adjustments); (ii) upon receipt by any Credit Party of insurance proceeds with respect to the Collateral owned by it, (iii) upon receipt by any Credit Party of a refund or payment on account of Taxes

from any Governmental Entity, excluding refunds or payments on account of sales taxes, (iv) upon receipt by any Credit Party (or any of its advisors or agents on such Credit Party's behalf) of any amounts received after the date hereof from BP Canada Energy Group ULC or any of its affiliates and (v) upon receipt by any Credit Party (or any of its advisors or agents on such Credit Party's behalf) of any amounts related to any avoidance actions or avoidance transactions (including, without limitation, in connection with any acts of fraudulent preference, acts of fraudulent conveyance and/or transfers at under value).

17. **Evidence of Indebtedness:** The DIP Lenders' accounts and records constitute, in the absence of manifest error, *prima facie* evidence of the indebtedness of the Borrowers to the DIP Lenders pursuant to the DIP Facility.
18. **Costs and Expenses:** The Borrowers shall pay all of the DIP Agent and the DIP Lenders' fees and out-of-pocket disbursements and any costs of realization or enforcement, in each case in connection with or otherwise related to the DIP Facility, the DIP Lenders' Charge, the other DIP Financing Credit Documentation or the NOI Proceedings and the CCAA Proceedings (collectively, the "**DIP Financing Fees and Expenses**").
19. **Documentation and DIP Financing Security:** The DIP Financing Obligations shall be secured by
- (a) the DIP Lenders' Charge;
 - (b) such other documents as the DIP Agent (on behalf of the DIP Lenders) may request (which will include a fixed and floating charge debenture granted by each Borrower in favour of the DIP Agent (on behalf of itself and the DIP Lenders) and a securities pledge agreement from ACCEL Holdings in favour of the DIP Agent (on behalf of itself and the DIP Lenders); including those documents required in order to register or otherwise perfect the security interests comprising the DIP Lenders' Charge.

((a) and (b) collectively, the "**DIP Financing Security**").

The DIP Financing Security shall be in priority to all Liens pursuant to the Charging Order or the Initial Order, subordinate only to the Permitted Priority Liens. The DIP Financing Obligations shall also be secured by a fixed and floating charge debenture granted by each Guarantor (other than the Borrowers) in favour of the DIP Agent (on behalf of itself and the DIP Lenders), a securities pledge agreement from ACCEL Parent in favour of the DIP Agent (on behalf of itself and the DIP Lenders) and such other documents as the DIP Agent (on behalf of the DIP Lenders) may request including those documents required in order to register or otherwise perfect the security interests granted under any such documents (collectively, the "**Other Security**").

Notwithstanding the foregoing and subject to the concluding sentence

of this paragraph, no proceeds of any DIP Advance may be used to (a) investigate, object to or challenge in any way any claims of the DIP Lenders against the Credit Parties in respect of the DIP Facility, or (b) investigate, object to or challenge in any way the validity or enforceability of the Liens created under the DIP Financing Security. Nothing in this paragraph shall restrict the Borrowers or the Monitor, including the engagement by the Monitor of independent legal counsel, from conducting a claims process in accordance with any Restructuring Court Order (and receiving their fees, costs and expenses therefor).

The DIP Financing Security, the Other Security and the charges created hereby and in the Charging Order and the Initial Order shall be deemed to be valid and perfected by the granting of the Charging Order and the Initial Order. The DIP Agent and the DIP Lenders shall not be required to file any financing statement, mortgage, security notice, or similar instrument or take any other action to validate or perfect the security charges granted hereunder and in the Charging Order and the Initial Order, however the DIP Agent may register the DIP Financing Security (and/or any notice, certificate, instrument or other agreement associated therewith) in jurisdictions and at registries or public offices as the DIP Agent (on behalf of the DIP Lenders) may determine necessary or beneficial to protect the interests under the DIP Financing Security.

20. **Permitted Liens and Priority:**

All Collateral will be free and clear of all other Liens, except for the Permitted Liens.

21. **Cash Flow Budget:**

The Borrowers shall use commercially reasonable efforts, if requested by the DIP Agent, to cause its non-legal advisors to participate on weekly conference calls with the DIP Agent and the DIP Lenders and their respective advisors, agents and employees to discuss the revised Cash Flow Budget, the Variance Report, the Borrowers' current and projected operational performance, and any related financial matters.

22. **Monitor:**

The monitor in the CCAA Proceedings shall be PricewaterhouseCoopers Inc. (the "**Monitor**"). The Monitor shall be

authorized to have direct discussions with the DIP Lenders, and the DIP Lenders shall be entitled to receive information from the Monitor as may be requested by the DIP Agent from time to time.

23. **Representations and Warranties:**

- (b) The Collateral is free and clear of all Liens other than Permitted Liens and, upon the granting of the Charging Order or the Initial Order, the DIP Lenders' Charge.
