| <b>Language:</b> | English                     |
| <b>Fee:</b>      | 708 EURO<br>(Including VAT) |

"From Manager to Leader" program consists of three modules, each focusing on a different essential aspect to not only succeed as a manager but to excel as a leader:

### Module 1: Why Leadership?

it encompasses the topics of Emotional Intelligence and the Manager as an 'Enabler'.

### Module 2: The role of Followers

during this module the aspects of Psychological Safety and Trust as well as Leaders and Thinking Styles are covered.

### Module 3: Change

the last modules is focused on the effective ways to lead people through change and seeing the role of the leader as an influencer.

**Join us to navigate the complexities of modern management and lead with confidence!**

"From Manager to Leader" is a transformative program designed to equip you with the essential skills needed to thrive in uncertain times. As technological advancements accelerate, globalisation intensifies, and workforce demographics shift, organisations face unprecedented challenges and complexities. In this dynamic environment, traditional top-down leadership just doesn't cut it anymore.

This program is perfect for newly promoted managers, early-career managers, and individuals with growth potential who need to build and enhance their leadership skills.
