PwC Jamaica updates Corporate Services offering and provision of Registrar & Transfer (R&T) Agent Services

Kingston, Jamaica, 4 April 2023

PwC Corporate Services (Jamaica) Limited (“PwC”) has been revising its suite of corporate services on offer to align with evolving market demand and has implemented the following on a phased basis:

- Discontinuation of the provision of Registrar and Transfer (R&T) Agent services (from late 2022);
- Winding down the provision of regulated corporate services by 24 April 2023 and thereafter redirecting and refocusing resources on the provision of non-regulated corporate services.

To ensure a smooth transition, PwC has engaged directly with its clients and key stakeholders to communicate the nature of the change and to facilitate the process. This phased configuration is aimed at optimising the business segment and providing a targeted suite of corporate services.
