Helping European companies invest and  
do business in South Korea

삼일회계법인

# Overview

The French & European Group at PwC Korea is comprised of experienced professionals from Europe and Korea with extensive Europe-Korea cross border experience and a deep understanding of the issues commonly faced by European multinationals investing and doing business in South Korea.

Whether you are taking your first steps to invest in Korea or have an established operation that is undergoing some change, we can support you and help address the key issues you face.

By collaborating with our multilingual team, fluent in English, French, Spanish, German, and Korean, you can obtain comprehensive support to optimise your cross-border transactions and access the wealth of experience we have in advising on the many aspects of doing business in Korea from Europe.

**We are here to help you expand successfully into Korea, operate efficiently, and achieve your business objectives.**
