Call for tenderers for implementation of a public integrity campaign

Clarification of questions

No.	Question	Clarification
1	What is the language that we use for the proposal, English or Macedonia?	English
2	When is the starting date of the first campaign?	Starting date will be confirmed with the beneficiaries, but the company is should propose a starting date, considering how soon they anticipate the beginning of the campaign.
3	What are the tender criteria?	As per point 10 of the Call for Tenderers, the tender offer should consist of: <ul style="list-style-type: none"> • Technical proposal*, supported by the documents given in Annex 2, and • Financial proposal for the implementation of the strategy and its action plan.
4	Copyrights of the TV show Prespav are already obtained or should be planed within the given budget (ref.to Campaign No.1 / Phase 5 from communication strategy)	The TV show Prespav will not be part of this tender agreement therefore it is not included within the given budget.
