Tutor

Gábor Balázs
Partner
PwC Hungary
IFRS accounting advisory

Gábor is the regional leader for PwC's Academies and the Accounting Advisory practice in CEE. He has been supporting large clients in the region for complex accounting matters as a technical accounting specialist for almost 20 years.

He is also an IFRS technical partner covering 27 countries from Central and Eastern Europe and Asia. He is the co-author of the PwC IFRS Manual of Accounting and delivers IFRS training across the PwC network.

According to participants of Gabor's trainings, one can always learn new things from him about IFRS and thanks to his experience, he can share interesting practical examples related to any accounting topics.
