What if you could test drive your future career?

Grab the opportunity to explore the role and responsibilities of an Assurance Associate without the commitment of a lifetime.

Discover if life in Assurance is truly meant for you through this 5-month employment opportunity from January to May.

Live the Assurance peak, the challenges, the team work, the growth, and above all the experience.

What is the Junior Xplorer programme?

The programme offers the opportunity to experience work placement in the Assurance line of service in PwC in Malaysia through a 5-month employment contract from January to May.

You will be taking on the role and responsibilities of an Assurance Associate, and you will go through an onboarding programme and technical training.

What are the requirements / eligibility criteria for this programme?

This programme is open to:

- Accounting graduates
- Students pursuing professional papers and are in the final stage

If I'm currently pursuing my professional papers, will I be required to finish it during my work experience?

You will be working full-time and will not be taking professional papers during the 5-month work experience.

Will I be offered a job at the end of my contract period?

This will be subject to a few considerations such as availability of positions and your performance during your work experience. If you are offered to join us upon a successful completion of your Junior Xplorer contract, you will not have to go through a probationary period.

Is there a bond or training contract?

No, there is no bond or training contract.
