Training

IFRS 9&17 Training

Description

IFRS 9&17 Training

05

April

N160,000

10:00am - 5:00pm

7 hours*

*Inclusive of break

Summary

With the adoption of IFRS 17 from 1 Jan 2023 and the deferral option taken by insurance entities to continue applying IAS 39, IFRS 9 and IFRS 17 would bring significant changes for insurance entities reporting under IFRS.

This session has been thoughtfully designed to give all participants insights on both the impairment standard (IFRS 9) and IFRS 17.

It promises to be thoroughly engaging and simple to grasp for participants. Relevant examples would also be incorporated to enable total participation in the session' activities.

Learning outcome

At the end of the training, participants are expected to:

- Have an understanding of the fundamentals of IFRS 9 & IFRS 17
- Understand the scope, requirements and application of IFRS 9
- Understand the scope, requirements and application of IFRS 17 and its benefits to insurance entities
- Understand the difference between the IFRS 9 & IFRS 17 standards
- Understand why IFRS 9 & IFRS 17 are implemented together

Training

Excel Training (FS Preparation)

Description

Preparation of financial statements

07

June

N140,000

09:00am - 4:00pm

7 hours*

*Inclusive of break

Summary

Financial statement preparation can be sometimes cumbersome and time consuming. The usage of key excel tips saves time and ensures efficiency.

PwC has got you covered with this session that sheds light on key excel tips and functions needed for preparation of financial statements and some key tasks in financial statement preparation which can be simplified with a good excel knowledge.

And that is not all. The fun part of this training is it is completely PRACTICAL!!!

Learning outcome

At the end of the training, participants are expected to:

- Understand the link between usage of excel and preparation of a set of financial statements
- Know the importance and understand the objectives of preparing a set of financial statements
- Know common excel tips in enhancing the financial statement preparation process
- Spot common errors when preparing a set of financial statements

Training

IFRS 9&17 Training

Description

IFRS 9&17 Training

13

September

N160,000

10:00am - 5:00pm

7 hours*

*Inclusive of break

Summary

With the adoption of IFRS 17 from 1 Jan 2023 and the deferral option taken by insurance entities to continue applying IAS 39, IFRS 9 and IFRS 17 would bring significant change for insurance groups reporting under IFRS.

This session has been thoughtfully designed to give all participants insights on both the impairment standard (IFRS 9) and 17.

It promises to be thoroughly engaging and simple to grasp for participants. Relevant examples would also be incorporated to enable total participation in the session activities.

Learning outcome

At the end of the training, participants are expected to:

- Have an understanding of the fundamentals of IFRS 9 & 17
- Understand the scope, requirements and application of IFRS 9
- Understand the scope, requirements and application of IFRS 17 and its benefits to insurance entities and also the difference between the IFRS 9 & IFRS 17 standards
- Understand why IFRS 9 & IFRS 17 are implemented together

Training

IFRS Annual Update Training

Description

Annual updates

08

November

N150,000

10:00am - 4:00pm

6 hours*

*Inclusive of break

Summary

Did you know the annual updates in IFRS and how it applies to your business?

PwC is ready to illuminate on those updates.

Learning outcome

At the end of the training, participants are expected to:

- Understand the most recent IFRS updates and how it applies in your business process
