PwC Careers

PricewaterhouseCoopers (PwC), Papua New Guinea's leading professional services firm invites you to apply for the following opportunity based in Port Moresby:

Senior Associate, Advisory

A career within our Advisory Line of Service as a Senior Associate will provide you with the opportunity to help our clients and work alongside business leaders to solve their toughest problems and capture their greatest opportunities. We work with PNG's largest and most complex companies to understand their unique business issues and opportunities in an ever changing environment. We help create sustainable change by stimulating innovation, unlocking data possibilities, navigating risk and regulatory complexity, optimising deals, and aligning costs with business strategy to create a competitive advantage. In particular, we are looking for relevant skills in risk and compliance, internal audit, digital and business transformation.

In this role you will be responsible for:

- delegating responsibilities to team members to provide stretch opportunities, coaching them to deliver results
- demonstrating critical thinking and the ability to bring order to unstructured problems
- using a broad range of tools and techniques to extract insights from current industry or sector trends
- reviewing your work and that of others for quality, accuracy and relevance
- seeking and embracing opportunities which give exposure to different situations, environments and perspectives
- use straightforward communication, in a structured way, when influencing and connecting with others
- reading situations and modifying behavior to build quality relationships.

We're looking for someone who comes from a strong financial management and accounting background, coupled with your ability to manage yourself and small teams whilst managing relationships with multiple stakeholders, with a minimum of five years experience in a similar role. You will ideally hold a relevant tertiary qualification with relevant technical work experience from either professional services or a large reputable corporate environment. Your strong relationship building skills, combined with your attention to detail and ability to manage your time will see you hit the ground running and excel in this fast paced role.

PwC offers in return a competitive salary package, commensurate with experience, development opportunities and a professional, supportive environment that inspires you to be your best.
