Please send your registration forms and the remittance advice to our PwC Corporate Challenge team at pg_pwc_cc@pwc.com. Alternatively, you may have them delivered to the same addressee at PwC, Level 6, PwC Haus, Harbour City, Port Moresby.

4. Conditions of Entry

Once participants have completed their registration and paid the relevant fees, they will be eligible for the prizes available for this event, subject to the following additional conditions:

1. All participants will be given an official “race” number in the form of a bib. The official allocated race number must be worn at all times until after final completion of the event. Use the race number that is allocated to you at all times as this will be tied back to your time after the race. Please do not swap any race numbers around and at any point in time, should there be a change this must be communicated in the first instance to the event coordinator before the race starts so our master list is updated accordingly.
2. The event involves physical exertion and is not suitable for those who are unfit, ill or are at risk of injury or have a debilitating health condition. Participants confirm that they are fully aware of the potential risks of participating in such an event and that they have taken all necessary precautions (including seeking appropriate medical advice) to determine that they are fit enough to participate in the event. Participants also acknowledge that they participate in the event at their own risk and that neither PwC and any of their beneficiaries/ charities or any other community partner associated with the event will be liable for any injury, ill-health or other adverse condition that participants may potentially suffer.
3. All participants must have fun.

Signed by all participants on the date noted below:
