EnterpriseSG - PwC Financial Management Masterclass for SMEs

New world.

New skills.

Upcoming runs in 2024

Run 10:

16, 22 & 23 August 2024

Time:

8.45am – 5.45pm

Venue:

Enterprise Singapore office
(230 Victoria Street, #09-00,
Bugis Junction Office Tower)

CPE Credits:

22 Hours

Course objectives

Increase the financial literacy and financial management capabilities of SME owners and SME business leaders

Provide assistance on how SME owners and SME business leaders can get their companies into a better financial standing

Raise the level of awareness of how SME owners and SME business leaders can access different forms of capital for their financing needs

Benefits of attending

The PwC Financial Management Masterclass for Singapore SME Business Owners and SME business leaders is designed by and developed by PwC and supported by Enterprise Singapore (EnterpriseSG) to help Singapore SME business owners and business leaders understand and acquire effective Financial Management skills to help them strategize and grow their business.

This intensive workshop will help SME business owners build and sharpen their financial management capabilities. It will dive into key areas such as raising debt & equity financing and unlocking cash for the business in order to build greater resilience for the business.

This programme will also feature a number of panel discussions and fireside chats with experienced practitioners from banking and financial institutions, as well as successful SME business owners and CFOs with SME experience.

Who should attend?

- SME CEOs, CFOs and COOs
- Heads of Finance e.g. Financial Controllers and Finance Managers
- SME Senior business leaders

Subject experts and trainers

Anthony Moore
Programme Director and
Chief Trainer

Anthony Moore has more than 20 years of experience advising clients on their financial and communications training strategy across a broad range of industries. To date, Tony has conducted training for more than 14,000 participants in finance and working capital management over a span of more than 20 years at PwC Singapore.

Tony is one of PwC's leading workshop facilitators for both Face to Face training and Virtual Learning and has designed and facilitated workshops successfully in Singapore, Malaysia, Hong Kong, China, Korea, Japan, Vietnam, Indonesia, India, Sri Lanka, Thailand, France, USA, South Africa, Azerbaijan, Dubai, Portugal, United Kingdom, Australia and New Zealand.

Sim Hwee Hong
Trainer

Hwee Hong is a PwC Singapore Partner specialising in merger and acquisition advisory and has extensive cross border deals experience having spent 8 years in New York, 5 years in China and most recently, 2 years in Japan in our respective Deals teams.

Hwee Hong is focused on guiding our clients' through the M&A transaction process, performing financial and operational due diligence reviews, carve-out advisory, business plan reviews, business valuation considerations, assistance with deal structuring, post-deal transitional issues and advising on purchase price adjustment and completion matters.

Lim Chong Han
Trainer

Chong Han, an Associate Director in PwC Singapore, has more than 12 years of M&A experience across the deal continuum.

He spent over 9 years in professional services firms, where he advised on strategic planning and M&A issues relating to valuation, due diligence, transaction structuring, cross border considerations, negotiation and post-merger integration.

He also spent almost 3 years in a corporate role in a SGX-listed company, focusing on real estate investment specifically in the hospitality and purpose-built student accommodation sectors.

Chong Han has a Bachelor of Business (First Class Honours) degree from Nanyang Technological University (Singapore), majoring in Finance and second majoring in Accountancy. He is a CFA charterholder.

Subject experts and trainers

Peggy Lee
Trainer

Peggy is an Associate Director within the PwC Singapore Deals Valuation, Accounting Advisory and Sale and Purchase Agreement (“SPA”) team in Singapore.

Peggy advises clients on complex accounting and valuation matters, such as those relating to business combinations, structuring of acquisition debt/equity instruments, purchase price allocation exercise, goodwill impairment test and application of IFRS.

Peggy provides advice to corporate clients on the financial aspects of SPA and the development of robust negotiation positions, in order to maximize the value extracted through the completion mechanism in the SPA and protecting clients against the erosion of value in the M&A process

Anjana Murphy
Trainer

Anjana is a Senior Manager in PwC Singapore’s valuations advisory team. She has worked with various clients undertaking projects spanning M&A valuation, impairment testing, stock option valuations, litigation support and purchase price allocations (PPA). She has been with PwC for more than 10 years, and is currently on secondment to PwC Singapore from the London office.

Anjana graduated from University College London with a Bachelor of Science (first class) in Mathematics with Management Studies. She is also a chartered accountant certified with the Institute of Chartered Accountants in England and Wales. Anjana is a valuations specialist who has worked with multiple clients both in Singapore and abroad.

*Trainers' involvement in each workshop is subject to availability and PwC reserves the right to change the appointed trainers at its own discretion.
