

## Preamble:

More than ever when the economy emerges from the COVID-19-induced economic hibernation and faces the headwinds of the recession, legal departments are required to assist organizations in navigating the increasingly complicated commercial and regulatory environment. How do legal departments change when they are understaffed and overworked without a sizable budget?

We would like to invite you to an exclusive Chatham House Rules roundtable with fellow in-house legal counsels where **TH NewLaw team** and **Eric Chin, PwC APAC NewLaw Director** will share the topic - **Legal Tech and Generative AI: Innovation, technology and efficiencies for the future legal function** and some ideas of transforming the legal department for recession-proofing.
